A Prayer for Stewardship Season

O God,

We thank you for the blessings that you have poured into our lives. We know that every good and perfect gift comes from you.

We know that this world and this church belong to you. And God, we trust you with our lives.

God, we remember how the disciples saw Jesus walking on the water and found courage when Jesus said to them: "I am here with you."

And we remember how you have made promises that you will never leave us or forsake us.

We pray that you help us God in this season of stewardship to bring our very best gifts to you. Help us to be Ambassadors of Jesus Christ and your hope, bearing your light to others.

Renew us in this season.

In Jesus' name,

Amen

STEWARDSHIP SUNDAY October 25, 2026

Although Stewardship is a year-round commitment, this is the time of the year that we pledge our financial support for our church, our ministries and our outreach for next year. On or about October 16, 2026 we will mail a letter and pledge card to members of the congregation, and we will turn them in during worship on Sunday, October 25, 2026.

Stewardship is the management of all God's resources including money. We are challenged to live a life free of debt and to demonstrate generosity. We find contentment in God, who is the one source of provision in our lives. When we give to the church we are giving back to God what is already His. Our church is committed to being good stewards of our wealth with regard to missions, both internally and to the community. Stewardship is woven into the fabric of our church, through our services, our on-going projects, and ministrations to the congregation. Should you know that you are not going to be at worship on October 25, please send or drop your pledge cards at the church office as close to that date as possible. As always, your support and timely submission is greatly appreciated.

2027 Offering Envelopes

At this time of year, we begin our stewardship campaign for 2027 giving and order our 2027 offering envelopes. We plan on ordering 2027 offering envelopes for our members who had 2026 offering envelopes plus a few extra sets. If you do not have 2026 envelopes and would like a set for 2027 or if you have 2026 envelopes and do not need a set for 2027, please let us know by sending an email to the church treasurer, huguenotumc.treasurer@gmail.com, or calling the church office. Thank you for supporting your church.

Please Consider!

There is an opportunity for a new ministry at HUMC that helps to care for the people. As you know, we are all called to be a part of the ministry here at Huguenot and to share our gifts. If you are looking for a way to serve Christ and bring a smile to someone's face, I have an opportunity for you. We are looking for 2 volunteers per quarter of the calendar year to send out birthday cards and anniversary cards to our people.

This is a great way for you to show your love for your church family. We are also collecting Birthday Cards, and Stamps so that the cost will not be a hindrance for you to serve in this way. Once we have the volunteers, we will provide you with a list of the birthdays and names for your quarter of the year. There will be a basket on the

side table across from the Pastor's office to collect the birthday cards and stamps.

Please consider serving and sharing your gifts in this way and let Pastor Denise know that you are willing to serve.

Backflow Prevention Valve Update

HUMC received a formal citation from the City of Richmond in July. The citation directed the church to install a backflow prevention valve on its water supply line within 60 days. Claude Cooper & Chip Woodall met with the City of Richmond on Wednesday, September 9, 2026 to get the information we needed to comply with the citation. We learned during the meeting that the Waiver Policy for backflow prevention valves being developed by the City would only apply to residential buildings. HUMC is a Church. Churches are considered to be non-residential buildings and outside the scope of the Waiver Policy being developed by the City.

We asked for information on the size and type of valve that the City wanted us to install. Also, we asked whether the City wanted us to install the backflow prevention valve immediately behind the City's water meter or inside our Church building. The City's engineer indicated that he needed to make an onsite inspection to answer our questions. That inspection is scheduled for Wednesday, September 23rd at 11:00 AM. The City indicated during the meeting that HUMC is making sufficient progress to extend the 60-day time limit in the citation.
